

## ULTRA LOW TACK PVC TAPE

Product Code	Pricing Unit	Colour	Size	Pack Quantity	Pallet Quantity
TLT3	EACH	Black	50mm x 100m	12	240

### Product Description:

The Proguard ultra low-tack PVC tape is ideal for joining protection materials such as the Proguard Protection Board. It is especially good for joining protection materials to extra sensitive surfaces, or for use on window and door frames, as the ultra low tack adhesive won't leave residue. Surfaces must be clean and free from dust for this product to work effectively.

### Benefits:

- Ideal for protection of sensitive surfaces such as marble and glass
- Removes without leaving residue
- Water-resistant

### Limitations:

- If you require high tack adhesion use *Proguard Cloth Tape*.
- Not 100% waterproof – if submerged under water this tape may come loose.

### Application:

Ensure that the surface the tape is to be applied to is dry and free of dust. Apply the tape by hand or with a *Proguard Tape Applicator*.
