HOW WE HELP CLADDING INSTALLERS REDUCE DAMAGE

PROGUARD PROTECTION BOARD

Manufactured from strong corrugated polypropylene to provide long-lasting protection.

Lightweight and extremely strong, the plastic sheets are tear, abrasion, puncture, and impact-resistant, offering strong surface protection for roofing and cladding sheets during transport and storage

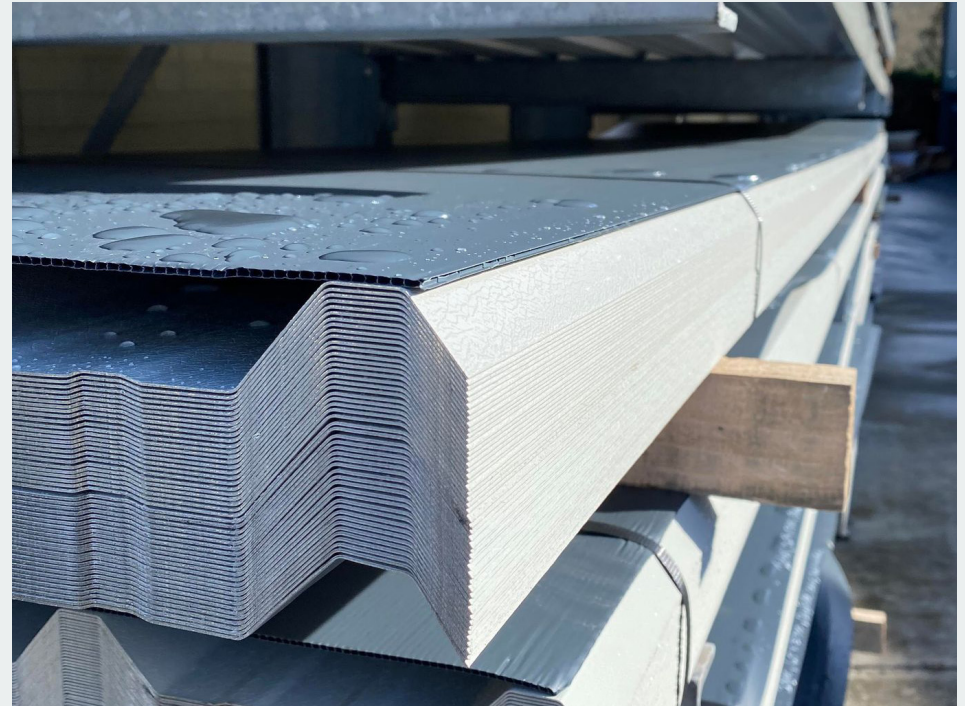

Benefits:

- Large size
- Provides efficient protection from knocks, scratches, and spills.
- Lightweight and flexible.
- Durable and reusable.
- 100% waterproof.
- Personalised logo and branding printing available.
- Resistant to chemicals.
- Made from over 90% recycled polypropylene
- 100% Recyclable.

WHAT OUR CUSTOMERS SAY

“We found that the Correx protection sheets provided the best level of protection for our cladding sheets as well as being lightweight and easy to cut. Beck also have the ability to print the sheets with our logo to enhance our brand image.”

Samuel Hornsey, Company Director at Hornsey Steels

HOW TO GET STARTED
