

## HANDY-WRAP DISPENSER

Product Code	Pricing Unit	Colour	Dimensions	Pack Quantity	Pallet Quantity
PWHD	Each	Blue	100mm	1	200

### Product Description:

Proguard Handy-Wrap Dispensers are to be used with Handy Wrap for wrapping items together such as metal profiles, timber lengths and rolls of flooring material. This product is only suitable for use with 100mm mini stretch wrap rolls.

### Benefits:

- Perfect for binding items together
- 100% waterproof.
- Reusable numerous times.

### Limitations:

- Only to be used with 100mm *Proguard Handy-Wrap*

### Application:

Put a roll of *Proguard Handy Wrap* on the end of the Dispenser. Wrap the items which need to be bound together. The wrap is slightly static and grips to itself to ensure that it stays in place. Tape any loose ends with *Proguard Clear Parcel Tape*.
